

## Thai Healing Alliance Ethical Code Agreement

### 1. DILIGENT STUDY

I agree to keep my practice up to date by seeing clients regularly, practicing, and pursuing my studies through continuing education and refresher courses.

### 2. PRIVACY & CONFIDENTIALITY

I agree to respect the privacy and the confidentiality of any and all clients from now into the future. I further agree to not disclose to a third party any personal information a client may confidentially share with me.

### 3. REASONABLE COMPENSATION

I agree to charge a fair price for an excellent service, and to set fees for my services commensurate with my experience and expertise.

### 4. RESPECT FOR OTHER PRACTITIONERS

I agree to not coerce or manipulate clients of another practitioner to receive my services.

### 5. MAINTAIN HUMILITY

I agree to market myself honestly within the parameters of my experience, and to represent myself only at the level of membership I maintain according to the policies of the Thai Healing Alliance.

### 6. SEEK GUIDANCE

I agree to continue to hone my skills as a practitioner by pursuing continuing education, taking courses and workshops, reading, doing research and engaging in work and study with other practitioners. I understand and acknowledge that my practice is a life-long pursuit of knowledge.

### 7. MAINTAIN DIGNITY

I agree to uphold a high standard of professional ethics, and to avoid any behavior that would tarnish the reputation of traditional Thai healing arts. This includes refraining from any and all sexual massage, and refraining from engaging in Thai massage when either party is under the influence of alcohol or drugs.

### 8. PROFESSIONAL INTEGRITY

I agree to not formally teach Nuad Thai to any person unless I am an Instructor or Institutional member of THAI, and engaged in a training course recognized by THAI. I also agree to make clear to my students that the practice of Thai massage is subject to all local laws and ordinances.

### 9. BE GRATEFUL

I agree to maintain a spiritual approach to my professional healing practice, and to continually work through my practice for the betterment of myself, my clients and mankind.
